Alberta Gaming and Liquor Commission Board Members

Focusing on maximizing the economic benefits of gaming and liquor activities in the province, the Alberta Gaming and Liquor Commission (AGLC) is responsible for administering the Gaming and Liquor Act, the Gaming and Liquor Regulation and related policies. The AGLC focuses on ensuring the gaming and liquor activities in Alberta are conducted honestly, openly and with integrity.

As one of seven Board Members, you will be responsible for the governance of AGLC and overseeing the management of the AGLC's business affairs. Together, the board will develop the strategic direction and operational policies, monitor the business plan and financial results and the performance of the CEO. The Board is also responsible for conducting hearings and making decisions respecting gaming and liquor licenses and registrations.

As the successful candidate, you have a track record of influential leadership and success in senior level roles within organizations. You have previous experience with corporate, government or community boaards and a solid understanding of related business and public policy issues.

If you have experience in complex, fast pace organizations and are familiar with the hospitality industry or a high customer-service centric organization; seize the opportunity to connect your knowledge and experience with your energy and motivation to serve Alberta by contributing to the success of the AGLC. Please forward your resume quoting competition 499 on-line at https://www.alberta.ca/public-agency-opportunity.cfm?appt=499 or for further information please contact Shauna Louie or Kevin Hall at AltoPartners at 587-353-9800

We thank all applicants for their interest. All applications will be reviewed to assess which candidates' qualifications most closely match the agency's requirements. Only those selected for interviews will be contacted to advance to the next step in the appointment process. You can check the status of each competition on-line at http://alberta.ca/public-agencies.cfm
